## KINGFISHERS- Manufacturing Day

Dear Parents,

We are delighted that Kingfishers have been invited to Acres Engineering's National Manufacturing Day 2025. This takes place on Thursday 25<sup>th</sup> September at their site in Melbourne, Derbyshire

This year's theme is 'Flightpath to Innovation, Designed to Fly- Drones: The future is Built Here'

Students will gain insight into the world of drone technology, with demonstrations covering aspects such as 3D printing, fabrication techniques, and real- world applications in both industry and defence.

Children will experience on the workshop:

- A behind-the-scenes tour
- A hands-on team challenge
- Interaction with visiting STEM teams from Toyota and the armed forces

### Event Details

#### When

- ✓ Thursday 25<sup>th</sup> September

#### What does my child need to wear:

- ✓ School uniform

#### What does my child need to bring:

- ✓ Packed lunch and drink
