Dear Parents and Carers,

We are delighted to share some exciting news about our school.

Last year, we applied to the Department for Education (DfE) for capital works funding as part of the second round of applications. We have now been informed that our bid has been successful.

Our school has been selected as one of only two schools in Derbyshire to receive this opportunity, and one of 300 schools nationally. This is a significant achievement and reflects the strength of our application and the clear need for investment in Early Years in the local area.

At this stage, we are awaiting further details from the DfE about the scope, timeline, and specifics of the project. As soon as we receive more information, we will share it with you.

We are extremely excited about what this could mean for our school community and the improvements it may bring for our children.

Thank you, as always, for your continued support.

Warm regards,

Mr M Hibbert
Headteacher
